When you are placing your rearend order for a specialized application, we need at least three pieces of information from you. The OVERALL WIDTH (Dimension D), the PINION LOCATION (Housing centered or Pinion centered), and the WHEEL BOLT PATTERN. These will need to be determined before an order can be placed. Sometimes we may need further information when placing special or partial orders, in this case you may need to provide further measurements from the examples below.

PLEASE ENTER THE FOLOWING INFORMATION AS COMPLETELY AND ACCURATELY TO EXPEDITE THE PROCESSING OF YOUR ORDER.
